

<sup>16</sup> *In the same way, let your light shine before others, so that they may see your good works and give glory to your Father in heaven.*

*Matthew 5:16*

**We shouldn't give to others or do nice things just for attention or thankfulness, but it doesn't mean people won't notice. When you give to someone in need or do something nice, others may notice and be inspired to do the same thing! So how will you let your light shine ?**
